(4) The preparation of the annual report required by IC 7.1-6-2-5.

(5) The provision of a mental health first aid training program developed under section 4 of this chapter, including providing information and guidance to local school corporations on the development of evidence based programs for basic or inservice courses for teachers and training for teachers on the following:

(A) Prevention of child suicide.

(B) Recognition of signs that a student may be considering suicide.

(6) The:

(A) development, in consultation with stakeholders; and

(B) provision;

of an evidence based training program for health care providers, including mental health and behavioral health providers, concerning suicide assessment, training, and management that incorporates materials approved, recommended, or listed as approved by the Suicide Prevention Resource Center or the National Registry of Evidence-based Programs and Practices of the Substance Abuse and Mental Health Services Administration.

SECTION 3. IC 12-21-5-5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2017]: **Sec. 5. (a) The division shall develop a statewide program for suicide prevention.**

(b) The division shall employ a coordinator of the statewide program for suicide prevention to implement and maintain the statewide program for suicide prevention.

(c) The statewide program for suicide prevention must include a state plan for suicide prevention that must address the following:

(1) Educational opportunities and activities to increase awareness and knowledge of the public.

(2) Training for individuals who may have frequent contact with individuals at risk of suicide on warning signs and tendencies that may evidence that an individual is considering suicide.

(3) Materials to increase public awareness of suicide and suicide prevention.

(4) Enhancement of crisis services relating to suicide prevention.

(5) Assistance for school corporations on suicide awareness and intervention training.

(6) Coordination of county and regional advisory groups to support the statewide program.

(7) Coordination with appropriate entities to identify and address barriers in providing services to individuals at risk of suicide.

(8) Maintenance of an Internet web site containing information and resources related to suicide awareness, prevention, and intervention.

(9) Development of recommendations for improved collection of data on suicide and factors related to suicide.

(10) Development and submission of proposals for funding from federal agencies or other sources of funding.

(d) The coordinator of the statewide program for suicide prevention shall study and determine:

(1) the professions that should be required to receive training concerning suicide assessment, treatment, and management; and

(2) the manner in which to fund the required training for the determined professions.

The coordinator shall report the determinations made under this subsection to the legislative council in an electronic format under IC 5-14-6 not later than December 31, 2017. This subsection expires January 1, 2018.

SECTION 4. IC 16-31-3-2, AS AMENDED BY P.L.77-2012, SECTION 23, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2017]: Sec. 2. The commission shall establish standards for persons required to be certified or licensed by the commission to provide emergency medical services. To be certified or licensed, a person must meet the following minimum requirements:

(1) The personnel certified or licensed under this chapter must do the following:

(A) Meet the standards for education and training established by the commission by rule.

(B) Successfully complete a basic or an inservice course of education and training on sudden infant death syndrome that is certified by the commission in conjunction with the state health commissioner.

(C) ~~Beginning January 1, 2009;~~ Successfully complete a basic or an inservice course of education and training on autism that is certified by the commission.

(D) Successfully complete an evidence based training program concerning suicide assessment, treatment, and management that has been approved, recommended, or listed as approved by the Suicide Prevention Resource Center or the National Registry of Evidence-based Programs and Practices of the Substance Abuse and Mental Health Services Administration.

(2) Ambulances to be used must conform with the requirements of the commission and must either be:

(A) covered by insurance issued by a company licensed to do business in Indiana in the amounts and under the terms required in rules adopted by the commission; or

(2) A principal.

(3) A teacher.

(4) A librarian.

(5) A school counselor.

(6) A school psychologist.

(7) A school nurse.

(8) A school social worker.

(b) Beginning after June 30, 2018, each school corporation, charter school, and accredited nonpublic school:

(1) shall require all teachers; and

(2) may require any other appropriate school employees;

who are employed at schools that provide instruction to students in any combination of grade 5, 6, 7, 8, 9, 10, 11, or 12 to attend or participate in at least two (2) hours of evidence based inservice youth suicide awareness and prevention training every three (3) school years. The training required under this subsection must be during the teacher's or school employee's contracted day or at a time chosen by the teacher or employee.

(c) Subject to subsection (e), the format of training required under this section may include:

(1) an in-person presentation;

(2) an electronic or technology based medium, including self-review modules available on an online system;

(3) an individual program of study of designated materials; or

(4) any other method approved by the governing body that is

consistent with current professional development standards.

(d) The inservice training required under this section shall count toward the requirements for professional development required by the governing body.

(e) The evidence based youth suicide awareness and prevention training required under subsection (b) must be approved, recommended, or listed as approved by the Suicide Prevention Resource Center or the National Registry of Evidence-based Programs and Practices of the Substance Abuse and Mental Health Services Administration.

(f) A school or school corporation may leverage any:

(1) existing or new state and federal grant funds; or

(2) free or reduced cost evidence based youth suicide awareness and prevention training provided by any state agency or qualified statewide or local organization;

to cover the costs of the training required under this section.

SECTION 7. IC 21-48 IS ADDED TO THE INDIANA CODE AS A NEW ARTICLE TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2017]:

ARTICLE 48. SUICIDE PREVENTION RESOURCES

Chapter 1. Suicide Prevention Resources

Sec. 1. (a) Each approved postsecondary educational institution shall adopt a policy to increase awareness of suicide prevention resources available to students and staff, including:
